Dear Sir/ Madam,

I have been directed to inform you that It has been decided that the Multidisciplinary Research Units (MRUs) functioning under DHR, established across different states in India , could serve as potential centers to gather the information of cost of health services delivered. Eleven such MRUs functioning in medical colleges in different states whose research activities under MRU are good have been shortlisted for this study.

The information on cost of health services delivered which will be obtained from these MRUs would thereby act as a resource for conducting Health Technology Assessments in the country.

In this regard a Committee meeting on Costing of Health Services in different states of India was held on the 5th of December 2017 at 2.30pm in the Department of Health Research, Conference Hall 2nd floor, IRCS Building, Red Cross Road, New Delhi to discuss and plan the costing study.

The following members and MRU Nodal officers from the above 11 MRUs were proposed to attend the Committee Meeting for Costing of Health Services in different states of India.
