## RULES & REGULATIONS

1. Every candidate shall be required to undergo a compulsory rotating medical internship (CRMI) for a minimum period of twelve months, to the satisfaction of the college authorities and the University concerned after passing the final Bachelor of Medicine and Bachelor of Surgery (MBBS) examination/ National Exit Exam for MBBS (Next), so as to be eligible for the award of the MBBS degree by the respective Universities.

### 2. Period for Completion

(a) The Internship shall be completed within two years of passing the final MBBS.

(b) The minimum duration of compulsory rotating medical internship may be extended appropriately by a reasonable period on recommendation by the College or University for reasons including but not limited to: (i) insufficient period of attendance; or (ii) any exigency such as disasters or unforeseen circumstances in the country as notified by the Government of India or any competent authority duly authorized to do so.

(c) The duration of internship may be curtailed or temporarily suspended or even withdrawn or cancelled at any time by the institution or University according to the prevailing rules or regulations of the relevant authority, provided— (i) the registrant, due to any reason whatsoever, desires not to pursue CRMI; or (ii) the registrant is not found to have fulfilled eligibility requirements; or (iii) there are proven acts of indiscipline; or (iv) there are proven acts of professional misdemeanor or misconduct; or (v) any other acts or actions including those violating law of the land.

3. Before starting Internship, the Intern must have provisional Registration Certificate from State Medical Council

4. After the posting orders are issued by the College Office, the Intern must report to the concerned Head of the Department first, who will give the unit postings.

5. The Intern must attend the postings regularly and maintain punctuality

(a) On completion of the postings, the Intern must get the Unit Head's signature on the last day itself and never postpone it.

7. The Intern must sign the attendance register daily at the proper time either in the Unit Head's Office or Department Office.
8. Wearing apron with name plate is compulsory during duty hours. They should get a rubber stamp made and always use wherever they sign.
9. The interns should carry the stethoscope, Knee hammer, Tape measure and other accessories required for patient examination in a bag.
10. On completion of all the postings, the Log Book complete in all respects including the Certificates of Completion (printed in the Log Book itself) from each department duly signed by the H.O.D. must be submitted to the Dean Office, in order to obtain Internship Completion Certificate.
11. For any extension of postings, fresh posting orders must be obtained from the H.O.D. or the Dean Office
12. Internship shall not be started without the Log Book and it should be carried by the intern daily for regular updating.
13. The Log Book contains the record of work done by the Intern and must be signed by appropriate authority.
14. Interns will not issue medical certificate or death certificate or another medico-legal document under their signature.
15. Attendance at the INTERNS ORIENTATION PROGRAMME is compulsory
16. An intern shall be allowed to avail the following leaves:
  - A. Normal Leave: (i) Interns shall be permitted a maximum of fifteen days leave with prior permission, during the entire period of internship. (ii) The entire period of fifteen days cannot be availed during any of the one week or two weeks postings applicable to a single department or specialty
  - B. Maternity Leave: (i) Lady Interns may be permitted Maternity Leave according to prevailing rules and regulations of the Central Government or State Government, as may be applicable
  - C. Paternity Leave: Male interns may be permitted paternity leave for two weeks either in continuation or in intervals of one week each within one year.
  - D. Medical Leave: (i) Medical Leave shall be included within the fifteen days of normal leave. (ii) Any medical leave beyond this period shall be recommended only by a duly constituted Medical Board.

E. The internship shall be extended if the leave of absence of any kind exceeds beyond normal leave:

(i) The period of extension shall be equivalent to the period beyond permissible fifteen days of leave.

(ii) The internship shall be repeated only in the department or specialty wherein the above extension is necessary.

### **INTERNSHIP ASSESSMENT & FEEDBACK**

The intern must be assessed with a scale of:

- A (Outstanding)
- B (Good)
- C (Average)
